

ACCESS THE BEST NET ROOM RATES, ALL IN ONE BOOKING SYSTEM

ROOMDEAL

RoomDeal is a revolutionary new booking system that combines the best hotel options from 350,000 properties across 215 countries. It includes information about each hotel, with location maps, real-time room availability and instant confirmation on a 24/7 basis.

With more convenient, real-time access to an extensive network of hotels at net rates, you can now enjoy instant revenue opportunities, while offering the most competitive rates to your customers.

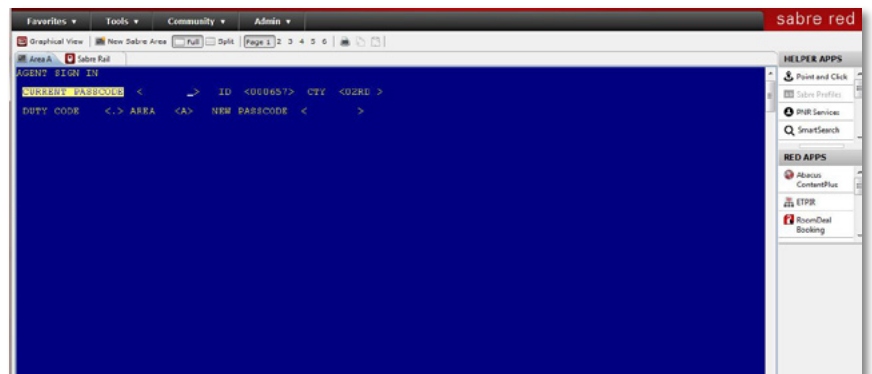

WHAT'S IN IT FOR YOU

GAIN AN EXTENSIVE RANGE OF HOTEL CONTENT from more than 350,000 hotels worldwide - including hotels that do not participate in GDS.

EARN INSTANT AND ADDITIONAL REVENUE when you mark up the net rates.

SPEEDS UP BOOKING through seamless integration with single sign-in to our point-of-sale and a unique PNR merge back functionality.

SAVES YOUR TIME from toggling in and out of multiple hotel websites in search of the best hotel deal. RoomDeal lets you find them all in one place.

SINGLE SIGN IN VIA SABRE RED WORKSPACE

HOW IT WORKS FOR YOU

A revolutionary new booking system, RoomDeal offers agents the best hotel options from the world's major hotel content aggregators.

Agents can effectively meet the demands of discerning travellers with the best deals available. RoomDeal also offers information on hotel and location maps at a click, as well as real-time room availability and instant confirmation on a 24/7 basis. Agents can also enjoy the "Pay Later" option that allows them to defer payment upon confirmation up to a given deadline.

With RoomDeal, agents can get convenient, real-time access to an extensive network of hotels at net rates, as well as book,

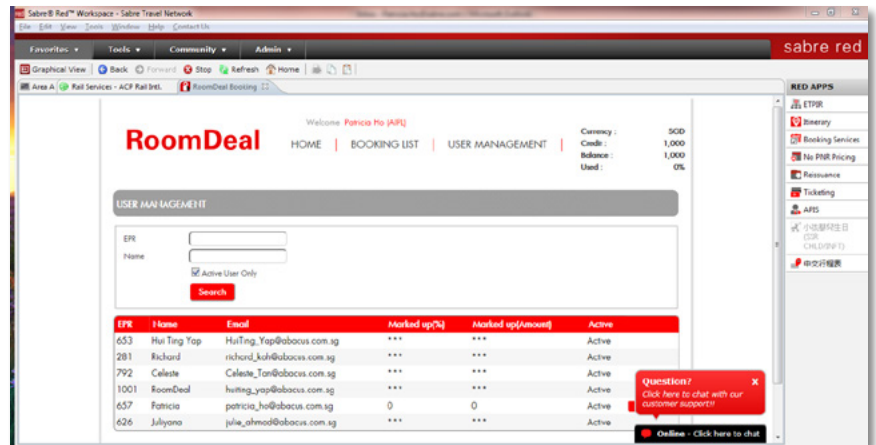

HOW WILL YOU STAND OUT

GET NET ROOM RATES UP TO 20% CHEAPER than other online travel agents.

WORK FASTER with the integrated booking system's powerful search capability and sorting functionality, as well as an intuitive user interface.

QUOTE RATES WITH EASE via the mark up module and the exclusivity of voucher printout embedded with your agency's logo.

AMEND YOUR BOOKINGS ANYTIME to align with your customers' needs.

MARK UP MODULE TO HELP DRIVE REVENUE

"I was able to get hotels booked and confirmed back within 5 minutes. I receive an email notice almost immediately, as well as notices of booking, hotel confirmation, pending need for credit card payment and even cancellations! What a great way for follow-ups!"

— Elizabeth Yeh / GM,
Elizabeth Travel Services, Taipei

"The ability to link ticket bookings with hotel bookings via a single PNR enables our agents to have more control and provide a faster response to our customers. It also helps to reduce paperwork, and in turn increases work productivity!"

— Chris Tjong,
CEO Dwidaya Tours, Indonesia
