

# PURCHASE AND CROSS-SELLING OF TRAVEL INSURANCE POLICIES MADE EASY

## TRAVEL PROTECTION

Travel Protection makes it easy to purchase travel insurance policies on behalf of your customers. It seamlessly integrates insurance transactions with your existing bookings, and automatically transfers data records to your back-office interface, supporting accounting lines, invoices and travel policy printouts.

In this way, you can spend less time on the menial tasks associated with insurance, and more time servicing customers.

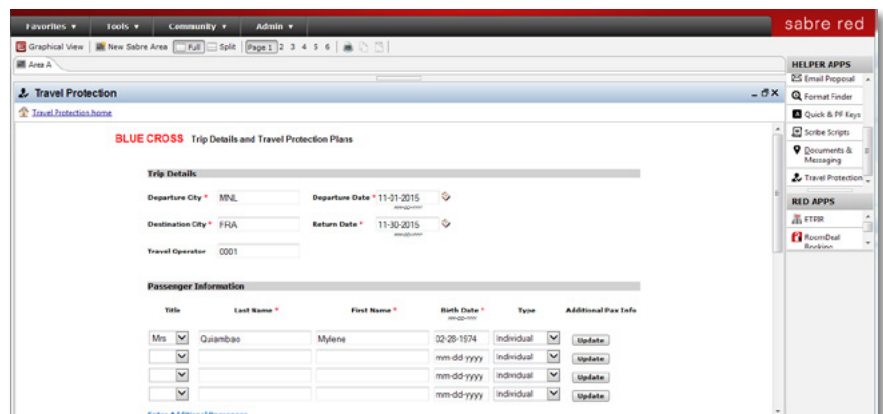

## WHAT'S IN IT FOR YOU

ENHANCE YOUR SERVICE with instant insurance coverage for customers.

WORK FASTER with a simple and integrated booking process.

REDUCE OPERATIONAL HASSLES as system supports accounting lines with back-office administration.

The screenshot displays the Sabre Travel Protection web interface. The main content area is titled "BLUE CROSS Trip Details and Travel Protection Plans". It features a "Trip Details" section with fields for "Departure City" (MNL), "Departure Date" (11-01-2015), "Destination City" (FHA), "Return Date" (11-30-2015), and "Travel Operator" (0001). Below this is a "Passenger Information" table with columns for Title, Last Name, First Name, Birth Date, Type, and Additional Pax Info. The table contains one row for a passenger named Mylene Quimbao, born on 02-28-1974, with an individual type and an update button. The interface also includes a sidebar with "HELPER APPS" and "RED APPS" sections.

## EASY TO USE GUIDED GRAPHICAL INTERFACE

# HOW IT WORKS FOR YOU

Available via the Sabre Red Workspace, Travel Protection's graphical, guided workflow eliminates the need to memorise cryptic entries or product codes. Simply point and click, and you can complete an insurance booking in less than two minutes.

All insurance policy details will be merged back into the PNR and an accounting line will be created for easy back office integration. It does all the work so you don't have to.

## HOW WILL YOU STAND OUT

ACCESS COMPREHENSIVE CONTENT from a range of travel insurance companies

SAVES TIME with an intuitive, point-and-click graphical user interface, without having to search and book from multiple applications on separate windows

WORK FASTER with seamless integration of insurance bookings into customer's PNR
