HOW IT WORKS FOR YOU

Keep travellers informed by providing information when they need it

As soon a trip is booked in Sabre Red Workspace, the flight, car and hotel reservation details are automatically added to a traveller's TripCase account. The traveller does not have to do anything, other than log in to his TripCase account to see his latest trip information. Any additional plans can be easily added by forwarding confirmation emails to trips@tripcase.com or by manually adding the information directly in his account. TripCase web portal is accessible for travellers to manage flight notification and trip reminders.

Empower travel agencies with powerful solution for premium service delivery

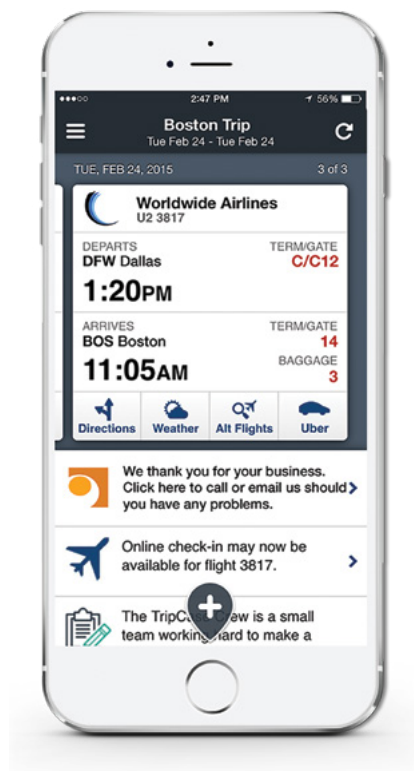

An agency may send a confirmation email with the important travel documents, e.g. itineraries and eTicket receipts or Electronic Miscellaneous Document. The email may include agency logo and is configurable to support 24 languages.
